EXECUTIVE SUMMARY & ACKNOWLEDGEMENT

For six weeks from 25/11/2024 to 04/01/2025, I did an internship at **Code Lab Systems**. Code Lab System is a rapidly growing company in the field of computer application Implementation, solutions and services. Code Lab System is a service provider of Web based Development & Web based Software Development Solutions, Mobile Application Development, Graphic Design and Windows Applications. Code Lab Systems is headquartered in Mangalore, with the Business development in UAE, Saudi Arabia and Qatar in a short span of 8+ years, our products as well as services & Solutions have been widely accepted by the global market. Today, Code Lab Systems has the experience to undertake any IT development or deployment works on a single point responsibility basis.

I am deeply grateful to **Ms. Zamiya Mariyamma**, **Software Developer**, my supervisor at **Code Lab Systems**. Ms. Zamiya Mariyamma provided timely and valuable guidance, connecting me with field experts who offered extensive insights on various practical matters. She consistently provided prompt feedback on my work, assisting me in effectively presenting my ideas and accomplishments.

I would like to extend my heartfelt gratitude to our guide, **Prof. Anil Kumar K**, **Assistant Professor** of the Department of MCA, for his invaluable guidance, encouragement, and inspiration throughout the internship.

I would like to express my sincere gratitude to Director of Master of Computer Applications, **Dr. Jothimani K,** for her guidance and inspiration.

I would like to thank our Principal **Dr. Mahesh Prasanna K** for providing all the facilities and a proper environment to work in the college campus.

I am thankful to all the teaching and non-teaching staff members of Master of Computer Applications Department for their help and needed support rendered throughout the project.
